Furthermore, I understand that any and all City or State laws or ordinances are enforceable at any time, with or without prior notification. The issuance of a permit based on plans, specifications and other construction documents shall not prevent the Building Official from thereafter requiring the corrections of errors in said plans, specifications and other construction documents, or preventing building operations be carried on there under when in violation of City or State laws or ordinances. The Building Official is authorized to suspend or revoke a permit issued under the provisions of the code wherever the permit is issued in error or on the basis of incorrect, inaccurate or incomplete information, or in violation of any ordinance or regulation of the provisions of the code.

It shall be the duty of the permit holder or their agent to notify the Building Official that permitted work is ready for an inspection. Requesting an inspection for work that is incomplete, in progress or not ready may result in a re-inspection fee. It shall be the duty of the person requesting any inspections required by the code to provide access to and means for inspection of such work. Inspectors will not perform inspections in the presence of any unrestrained animals or in the presence of minors without a parent or legal guardian present. Work shall not be done beyond the point indicated in each successive inspection without first obtaining the approval of the Building Official. Any portion of work shall not be covered or concealed until authorized by the Building Official. The building permit, approved plans and inspection card shall be kept on the site of the work until the completion of the project.

The Building Official shall suspend or revoke a certificate of occupancy issued under the provisions of the code wherever the certificate is issued in error, or on the basis of incorrect information supplied, or where it is determined that the building or structure or portion thereof is in violation of any ordinance or regulation or any of the provisions of the code
